### Review and Rating

Samantha L., Brooklyn, NY

★★★★★

“Beautiful, functional, and my cat is obsessed” →

Wasn't sure if Cleo would use it, but she claimed it instantly — it's her new favorite spot. The quality is top-notch and it blends beautifully with my home decor. Easy to assemble, comfy cushion, and zero weird smells like cheaper products. Hands down the best pet buy I've made — stylish, sturdy, and totally cat-approved!
